

Chris Lawson

Chris joined the St. Andrew's Society of Winnipeg in 2021. Deep Scottish roots on both sides of his family led to his interest in Scottish culture and history. He is a descendant of a number of Lord Selkirk's party who arrived in Red River in 1813-14.

Chris is a retired educator. He worked as a special needs teacher in the St. James Assiniboia and Interlake School Divisions and served seven years as a middle school principal.

In addition to his activities with the SASOW, Chris enjoys golf, kayaking and spending time with his family and four dogs.
