

Dr. James Skinner

Jim was born in Montreal and came to Winnipeg as a young child with the transfer of his father's work. He completed a medical degree and then a psychiatric residency through the University of Manitoba and will retire from his position, after 33 years, at the Manitoba Adolescent Treatment Centre this spring.

Jim is happily married to the "wonderful" Judy Nichol, a member of SASOW, and enjoys cycling, astronomy, and Gaelic, Hebrew and Zoom bagpipe lessons as hobbies. He is also on the boards of The Clubhouse and Dalnavert.
