

Peter Heavysege

Peter was born in Montreal and moved to Winnipeg after graduating from Bishop's University. As an account manager with Acuity Marketing, Peter works with all types of clients that want to promote their brands.

His grandmother was born in Fordyce Castle, and his grandfather hails from Annan, Scotland. Peter was born into a bagpiping family, with his father leading "parades" down the streets in their neighbourhood. He began drumming at age nine. It remains a big part of his life as he is a member of the Winnipeg Police Pipe Band, travelling to France, Ireland, California, and this summer to Basel, Switzerland. Peter is the Treasurer of the Prairie Pipe Band Association of Manitoba, Sponsorship Chair for the Winnipeg Scottish Festival, and a drumming instructor with the Lord Selkirk Robert Fraser Memorial Pipe Band.

Peter joined SASOW in 2010 and has held various positions, including Membership, Events and the annual formal dinner. As first vice-president, he continues to promote the Society as it grows through various events like the annual Summer picnic, new members night, and the Spring Ceilidh.

An avid golfer, Peter enjoys playing with his three sons to create the perfect foursome.
